Start earning with Shell GO+ Rewards and your Fleetmaxx fuel card

Whether you're using your Shell CRT Card, Shell EV CRT Card, Shell Fleet Card, or Shell Hybrid Fuel Card, you can now take full advantage of Shell GO+ Rewards every time you visit a participating Shell service station.

What are Shell GO+ Rewards?

Shell GO+ is a free rewards programme that gives you points and exclusive benefits simply for fuelling up and shopping at Shell. It's designed to make every journey just that little bit more rewarding — for you, for your vehicle, and even for the environment.

Save on personal Shell fuel purchases

Use your Shell GO+ points to get money off fuel when you're filling up and paying without your Shell fuel card. It's a great way to make your personal journeys more rewarding too.

Redeem points for partner gift cards

Shell GO+ members can exchange reward points for e-gift cards from a range of trusted retail partners. Once redeemed, your e-gift cards will be sent directly to your registered email, giving you even more ways to save on the things you love.
